

ed man, present one of the most interesting pictures in the O.T. or the N. T.

Peter is discouraged. The rest of the disciples thought that he was going to establish an earthly kingdom. They talked of Peter. How he went into the palace. Human nature is always the same. We remember a man's failings. We forget his strong points. Some one of them says, "Where is Peter?" His stepping out on the water. His refusal to let the Master wash his feet. Peter was the best loved disciple.

Peter goes to the disciples. Not recognized.

Mary is there. She has been over to his tomb, she has been talking with angels, she has received the greatest message of all time. "He is risen as he said and has gone over into Galilee and has sent word to his disciples to meet him". He has gone over into Galilee and wants his disciples and Peter to meet him. The only man's NAME that was mentioned was the man who felt he was no longer a disciple

Conc:- I want to say that the Lord Jesus is the same, yesterday, today and forever. One to receive a special message,

The man who was in a southern church. "It is so like him".

"And..Peter"

Scripture Lesson:- Mark 16: 7. P. M

Text:- Mark 16: 7.

Introduction:- There is something about the name of this impulsive, wayward, child-hearted man that awakens our interest at once. As we study him in his failures, we grow discouraged. We say, "If a man could be so near Jesus as Peter on the transfiguration, in the home of Jairus, and if he could deny him it is not strange that we should fail him in this adulterous and sinful generation. We study him in his successes and say, "If a man like Peter, unlettered, uncultured fisherman as he was could become the preacher at Pentecost and the writer of his Epistles, then there is hope for every one of us."

I.

There are many reasons why I like Peter, and I am sure that of all the men who are mentioned in the Bible, I long to see Peter. I like him because of his enthusiasm. ENTHUSIASM.

II.

Peter was a brave man. Did he not deny the Lord in the presence of a little girl

III.

"And Peter". These words which are an angels message to a broken heart
