Text: I have planted, Apollon watered,  
but God gave the increase.

Sub: There was division in the  
church at Corinth. Some  
were followers of Paul, some  
of Apollon, some of Cephas,  
some of Christ. But Paul  
points out that there was  
a silent partner at work  
in church at Corinth, God  
Who gave the increase. It  
is a glorious thing to work  
with the Omnipotent as  
a partner. To have him  
at one's side, adding his  
great strength to our weakness.

I. God, Silent Partner with  
Christian worker.

1. He creates.
2. He that sows & he that  
waters are nothing with-  
out God. They are of  
equal importance.
3. Leave room for God  
in our plans and

work. Yea, God and man  
bring all things to pass.  
God works thru man,  
with man and man with  
God. God and man.

How shall they hear?  
How shall they preach;  
no hands, but our hands  
no feet . . . . .  
no tongues . . . . .

IV. God a Silent Partner  
with man in Physical  
Universe

1. In his own body  
man breaking rails.

2. In Agriculture.

1. man produces with  
God.

2. God does not produce  
without man

3. Rastus and God.

3. God's man's partner in  
dressing earth and  
keeping it.

### III. God Partner with man Only for man's Good.

1. God not in heel of oppressor
2. God not in human sin and selfishness
3. Devils of hell and fiends of earth may use God's laws to destroy.

2. God's High Partnership with man is for man's development. God helps 1. when man goes forward man thrives God goes with him. invents. When man goes backward he goes down.

God is not a partner with you in your impure thoughts, your unchaste desires, your selfish indulgence.

3. Some men take backward steps in spite of God.

3. God with you in Forward

1. In every pure thought
2. Every virtuous ambition
3. In every inward battle against sin, God is with you.

the devils of hell are struggling for your soul, but

fight on, God is with  
you.

One. Thru this holy partnership  
with God, the impossible  
becomes possible. But a  
partnership is not effective  
unless there be agreement.  
Are you in agreement  
with God. You are if you  
have unconditionally  
surrendered your will  
to him for time and  
eternity. If your sins  
have been blotted out  
in name and thro  
atonement of Jesus  
Christ.
