"God's Wrath and Man's Sin."

Scripture - Romans 8:1-18.

Text - Romans 1:18

Subj: - Paul has just declared his readiness "to preach gospel in Rome also." Gospel that saves, from sin. The Compulsion in Paul's soul was realization of truth of this verse.

I. God's Wrath Revealed.

1. In Scriptures

1. Prophets & Apostles all declare it.

2. In man's Conscience

1. Five senses. This is the sixth, that mysterious sense that feels the eternal difference between right and wrong. Conscience is aware of a fiery light beyond this world.

Feeling

II. God's Wrath Passionless. -

1. No personal enmity toward sinner. There is on contrary, personal love for sinner, but he cannot have favor of God until he

Sin.

2. Against Ungodliness - or  
godlessness - that which de-  
nies, ignores, or blasphemes  
God.

3. Unrighteousness of men.

4. Who hold down the truth  
in unrighteousness.

1. Man is ever aware that  
he is accountable to God. He  
is aware of demands of God  
upon him; yet he silences  
the haunting fact, that he  
does not which God's claims,  
God's will, but prefers his  
own.

Man made in image of  
the Creator, a moral personality,  
finds his complement in God.  
That which leads him away from  
God is his enemy, Sin holds  
man down, man holds  
down that something in  
himself which yearns for  
God.

Concl: - God's wrath against  
will finally triumph over  
Love, or, Power, etc.
