Text:- Eph. 4:<sup>12-13</sup>: For the perfecting  
of the saints" - saints and not perfect  
saints on earth.

Imp!:- As Christian people we are  
confronted with two great tasks,  
first, to bring this world to Christ  
and in that second place to  
bring the church to Christ. We  
heard this past week that 20% of the  
people who belong to church go  
regularly and 10% do the work.

Surely we can never hope  
to bring the world to Christ  
until we have brought the church  
fully to Christ.

We need to stress the fact  
that men need to be born again,  
that men need to be consecrated  
and that they grow in grace,  
until every area of their lives  
is under the domination  
and sway of the spirit of  
Jesus.

Jesus said to his disciples  
and to religious people of his  
day, "what do ye more than  
others?"

I. What is Our Attitude

## Toward Our Enemies!

1. Hate
  2. Stood grudge
  3. Will you forgive if they apologize? So will men who are not Christians.
- Toward Hitler, Mussolini, Japan-Japanese & Chinese Christians pray for each other.

## II Toward Man in Industry, Laborer.

1. Wage earners are ever and increasingly discontented and envious.
2. Church has been accused of being capitalistic.
3. If you are the boss what spirit do you show?

## III. Seven tests. - not to mention prayer, etc., for even some who pray cannot meet the tests of higher demands of the Christian life.

1. What do you have been aspiring to some high place (some one else succeeds, how do you feel?)
