

"They that Turn many to
Righteousness."

Scripture Lesson

Text: - Daniel 12: 3.

Int: - Note that our text places the emphasis upon one - "He". This gives emphasis to the fact that the great works of the world, have been done by "the ones". It was one man who discovered America - Columbus; one man who rescued Scotland from her political and ecclesiastical enemies; one woman who gave to the world our modern system of nursing; truth has power only when a living soul is behind it. The truth of the gospel becomes powerful to save only when a living soul is behind it - your soul. Then men will be turned to righteousness.

I. The Christian's Glorious Vocation.

1. Vocation - calling.

1. not saved just for your own sake - but to ~~save~~ ^{advise} others. All Christians called to turn others to righteousness

2. Glorious - what can be more glorious than this. Other professions

have their glory - medicine.
Architect-builder.
more glorious to turn a sinner
to righteousness.

3. Spiritual Health for one
who turns others to righteousness.

1. Anxious soul winner
not so apt to backslide. Only
when Christians forget their calling
that the world has any charm
for them.

II. An Everlasting Reward

1. The rewards of earth are
but for a moment - soon forgotten.
Give illustrations.

2. Heaven's joys will be in
proportion to treasure we have
laid up there.

3. Bring some one with
you. -
